100 % ARABICA

GRAPEFRUIT _ KIWI _ ALMOND

Mobile Coffee Specialty Blend combines coffees from different regions and processing methods. It evokes citrus-like aromas such as orange and grapefruit, with flavor notes reminiscent of roasted nuts and grapefruit, leading to a long-lasting, sweet-and-sour aftertaste reminiscent of citrus. Its medium yet pleasant acidity resembles green fruits such as kiwi and, together with a medium, round mouthfeel, creates a pleasant flavor synergy reminiscent of kiwi.

Hand-roasted - Hand-packed

Fresh coffee made to order.
